Collective Worship Reflections

In worship this week we focused on 'Our World' to link with our international day. We used World Ocean Day as our starting point. We reflected on what we are grateful for and how we can be good stewards by looking after our world. From Bowie Class, Abigail and Jacob said "We pick up litter because it will hurt the planet and the sea animals" and Jack shared that collecting seeds so we can grow more flowers and trees depending on which ones it came from.

Muddy Church

Our next Muddy Church session will be on Thursday 26th June. Please see poster below for more details and let the school office know in good time if you wish your child to be added to the list.

Out of School Achievements:

Well done to **Mollie K-R** from Zephaniah Class for being a “super swimmer”, swimming 5 metres.

A big well done to all of you!

If your child achieves an award, medal or trophy through participating in an outside-of-school club or activity, we would love to hear about it and congratulate them at our weekly Wednesday worship. Please bring certificates etc to the school office.

Bowie Class

As part of our D.T. learning last half term, Bowie Class donned chef hats and cooked up a storm, creating our own pizzas. After sampling a variety of different toppings at the start of term, we chose flavour combinations to suit our target audience - us! After we cooked our pizzas, we placed them in our own eye-catching Pizza Boxes designed and brought to life with our own fair hands. Waiting to get home to sample the tasty delights was definitely the hardest part of the whole process!

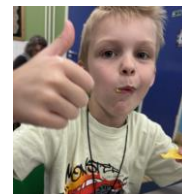

International Day

On Tuesday, the whole school came together to celebrate **International Day** — a fantastic opportunity for our children to explore and experience the rich diversity of cultures from around the world. Each class focused on a different country, learning about its traditions, festivals, and way of life.

The children enjoyed tasting traditional foods, listening to music, learning songs and dances, and discovering interesting facts about their chosen country. Classrooms were transformed with colourful displays, artefacts and the sounds and smells of cultures far and wide.

In the afternoon, the whole school gathered to share what we had learned. Each class presented something special — from a dance or song to fun facts or artwork — allowing everyone to learn from one another and celebrate the day together. It was a vibrant, joyful day filled with curiosity, creativity, and connection. A big thank you to all the staff and families who helped to make it such a memorable experience. The day was thoroughly enjoyed by all.

Cancer Research Fundraiser

We are always very grateful to those who volunteer to assist us in school and one of our volunteers, Heather Crewe, is taking on the Swim10K Challenge in June to raise money for Cancer Research UK. This isn't an easy challenge for her as she has many joint issues but she is determined to achieve the 10K and hopes to raise a lot of money for the charity in the process. If you are able to donate as little or as much as you can towards her goal of £1000, she'll be extremely grateful and you can do so using this link: <https://fundraise.cancerresearchuk.org/page/heathers-giving-page-3914>

Summer Disco - Tuesday 10th June

Summer Fayre Planning Meeting

It was great to see so many attending our PTA summer fayre meeting yesterday – lots of great things being planned for our Fayre on the 4th July! If you are able to offer any time to help set up in the morning or run a stall for some time in the afternoon, please do let the PTA know by emailing ptfa.templecombeschool@aol.com. Any help, no matter how big or small, is always hugely appreciated.

And finally...

What a great week it has been, despite the rainy weather! Have a lovely weekend!
